

CRAFTING CARDS FROM THE HEART ON PATRIOT'S DAY

September 11, A Day of Service and Remembrance

FRIENDS GET THEATRICAL

Beginning in October, the Civic Theatre of Greater Lafayette will partner with Joyful Journey Friends and embark on an eight week residency. During the residency, Friends will work with trained teaching artists on movement, storytelling, and improvisation to unlock the memories and stories they most want to explore.

This program was made possible through a grant provided by the Indiana Arts Commission's new Lifelong Arts Indiana program. We are so excited to be a part of this new initiative!

PROGRAMS WITH A PURPOSE

At Joyful Journey, we know that providing ample opportunity for Friends to give back to the community is integral to their feeling of belonging in the community. It's all about being connected.

On September 11, known as Patriot's Day, the Program Team highlighted this day of service and remembrance through the creation of patriotic cards, painted in red, white and blue.

These cards, made with JOY and love, were then mailed to various local organizations and individuals thanking them for the work they do to make the world a better place. Card recipients included local Fire and Police Stations, Purdue's ROTC program, and Joyful Journey volunteers.

JOYFUL JOURNEY OUT INTO OUR COMMUNITY

2024 has been a great year for Joyful Journey to get out into the community to spread awareness of our day services and caregiver support! Our message has reached a number of community members in their time of need, and there are still large pockets of the Greater Lafayette area and surrounding communities where caregivers are struggling in silence. We need your help to reach them!

If you are part of a faith-based organization, community group, or even an HOA and you think others would benefit from learning about Joyful Journey, please reach out to Bess at 765-607-6156 or email her at Bess@joyfuljourneywl.org.

Join us for KLD'S A NIGHT TO REMEMBER on Saturday, October 26 at the Courtyard by Marriott, Lafayette. Your ticket isn't just a seat at the event, it's an investment in a future without Alzheimer's. **ASK US ABOUT THIS EVENT!**
